enhancement of its ESG disclosures and reporting.

Presented by Newsweek and Statista, Inc., a statistics portal and industry ranking provider, the prestigious list recognizes the 500 most responsible companies from the top 2,000 public companies by revenue with headquarters in the United States, spanning 14 industries.

Companies were selected based on publicly available key performance indicators derived from CSR Reports, Sustainability Reports, and Corporate Citizenship Reports as well as an independent survey. The KPIs focused on company performance in the environmental, social, and corporate governance areas, while the independent survey asked U.S. citizens about their perception of company activities related to corporate social responsibility. The 2022 list of America's Most Responsible Companies can currently be found at <https://www.newsweek.com/americas-most-responsible-companies-2022>.
