

## Fortune Brands Named to Wall Street Journal's Best-Managed Companies 2024

**DEERFIELD, Ill.** – Jan. 29, 2025 - Fortune Brands Innovations, Inc. (NYSE: FBIN or “Fortune Brands” or the “Company”), an industry-leading innovation company whose purpose is to elevate every life by transforming spaces into havens, today announced that it has been named to The Wall Street Journal’s Top 250 Best-Managed Companies List of 2024.

“We are honored to be named to the 2024 Wall Street Journal list of Best-Managed Companies. This recognition is a testament to the progress we have made as a Company – especially our growing prominence as a digital brand and our digital products

portfolio – and reflects the tenacity and innovation of our entire team. Our commitment to bringing our purpose to life through transformative products and services is evident in our Moen Flo Smart Water Monitor and Shutoff, Master Lock connected lockout tagout, SentrySafe fireproof safes, Yale digital smart locks and energy-efficient Therma-Tru doors. Our products elevate the lives of our consumers and communities by providing protection, conserving resources, and bringing peace of mind. We are excited to continue pushing the boundaries of what we can achieve together,” said Fortune Brands Chief Executive Officer Nicholas Fink.

The Best-Managed Companies ranking measures corporate management effectiveness by evaluating performance in five areas: customer satisfaction, employee engagement and development, innovation, social responsibility and financial strength. The ranking is based on an analysis of 35 data inputs, including a new metric of a “digital positioning score,” which looks at a company’s activity across online search, traffic on its websites, social media and its apps.

This significant recognition is awarded in partnership with The Drucker Institute at Claremont Graduate University. This year over 800 companies were scored. The list was announced on December 8, 2024, and can be viewed on The Wall Street Journal’s website.
