FORTUNE BRANDS COMPLETES TENDER OFFER FOR NORCRAFT COMPANIES, INC.

DEERFIELD, Ill. – May 12, 2015 – Fortune Brands Home & Security (NYSE: FBHS) today announced the successful completion of its tender offer to purchase all outstanding shares of common stock of Norcraft Companies, Inc. (NYSE: NCFT), for a price of \$25.50 per share in cash.

“The addition of Norcraft to our cabinets segment strengthens our overall product offering, rounds out our regional market penetration and enhances our frameless capabilities,” said Chris Klein, chief executive officer, Fortune Brands. “Strategic acquisitions are one component of Fortune Brands’ overall strategy to both grow the business and create incremental value for shareholders through use of our strong balance sheet and cash flow. We see many opportunities for enhanced growth by bringing these businesses together.”

The offer and withdrawal rights expired, as scheduled, on Monday, May 11, 2015 at 11:59 p.m., New York City time. The tender offer was launched on April 14, 2015, following the announcement on March 30, 2015, that Fortune Brands and Norcraft had reached agreement on the terms of a merger agreement. The acquisition of Norcraft is expected to be accretive to Fortune Brands’ earnings in 2016.

Following the expiration of the offer, approximately 14,798,762 shares of Norcraft common stock were validly tendered and not withdrawn in the offer. That amount represents approximately 78 percent of the outstanding shares of Norcraft common stock. Fortune Brands accepted for payment the shares through one of its indirect wholly-owned subsidiaries.

Fortune Brands intends to effect a merger with Norcraft pursuant to the terms of the merger agreement, which will result in Norcraft becoming an indirect wholly-owned subsidiary of Fortune Brands. In the merger, each remaining share of Norcraft common stock that was not validly tendered in the tender offer, other than shares owned by Fortune Brands or Norcraft and shares owned by any stockholder of Norcraft who was entitled to demand, and who properly demanded, appraisal rights, will be cancelled and converted into the right to receive the same \$25.50 per share in cash that was paid in the tender offer.

Once the merger is completed, Fortune Brands intends to cause all shares of Norcraft common stock to be delisted from the New York Stock Exchange, and Norcraft will no longer have reporting obligations under the Securities Exchange Act of 1934, as amended.
